### 5. Time control

3 min. plus 2 sec. increment from move starting from move one.

### 6. Who can play

All of the universities participants in ENGAGE.UE. (students and faculty)

### 7. Scheme of play

*Note: If necessary and after consultation with CO, the Chief Arbiter (CA) may make a change in the program. The participants will be notified about the change in advance.*

### 8. Prizes

First place – Trophy cup

Second place – Trophy cup

Third place – Trophy cup

Certificate – for all of the participants

## **9. Ranking**

The team ranking depends on the best three results of the players of one university. In the event of a tie, the university whose best player is with better place will take advantage in the team ranking.

For the single ranking the following additional tiebreaks are used to determine a higher priority:

- Direct encounter (the results of the players in the same point group);
- Greater number of victories;
- Buchholz (-1);
- Buchholz;
- Sonneborn-Berger.

## **10. Arbiter**

Chief Arbiter (CA) – FA Ivaylo Stoyanov

## **11. Anti – Cheating rules**

During play all the participants have the obligation to be present on “Microsoft Teams” meeting with Microphone and Camera turned on. All kinds of conversation between the players are forbidden. Proposal for a draw is made only using the “lichess” platform. No proposals for a go back of a move is allowed. All participants must obey the rules of fair play.

**Note: The organizers and the Chief Arbiter keep their right to make additional changes to the current rules. The participants will be notified about the change in advance.**
